

Harp for sale:

Lyon and Healy, 40 strings, metal, gut and nylon, style 85 Pette, full pedals, serial #51538, purchased in 2004, from Melody Music. They loosened the strings for travel, the owner took it home, put it in a corner, never tuned or played it. This harp was replaced with the Chicago 40 which sells for \$11,500. Kolacny Music states that this is a brand new harp, value \$9500. It is in beautiful shape. It has the original cover, tuning key and a full extra set of strings, and a new moving cart. I will not ship, but will consider traveling to meet a new owner, and a reasonable offer. Contact Daisy Eddy, ajeddy@bresnan.net 406-656-3013 Billings, MT.
